18	Katia Swain	45	35.5	89.0	10/20/2018	Dakota

Provincial Ranking List Policy

For ranking and provincial team selection purposes, the total of the best performance from the past 12 months, expressed as the Sinclair coefficient calculated based on weight class, will be used.

For the total to be eligible for ranking, it must be achieved at SDC competition and the athlete must be a MWA member in good standing.

Separate female and male overall ranking lists are updated after each MWA-sanctioned event, the Canadian Junior Championships, the Western Canadian Championships and the Canadian Senior Championships. In the event that an athlete posts a total at a competition other than those listed above, it is the athlete's responsibility to inform the MWA that they would like that total to be used for ranking.

In the event of a tie on the ranking list, the athletes will be co-ranked on the list.
